## QUALIFICATION

Bachelor of Arts in Sound Production  
(SAQA ID No: 90673, NQF Level 7)

**AUDIO**

## OVERVIEW

The Bachelor of Arts in Sound Production curriculum addresses the art, science and technology of sound production across a wide range of applications, from music recording to sound production for film, television and live concert sound. Each sub-discipline of sound production is covered in detail in order to ensure that all graduates have the theoretical and practical skills required to be able to work in the global entertainment and music space. In addition to the essential skills and knowledge required from a sound engineer/producer, students are continuously exposed to the pertinent values, attitudes and qualities expected from an industry professional. Graduates will be able to function effectively and make a meaningful contribution to the sound industry and society using this qualification.
